1. OVERVIEW

1.1. Obtaining an Officials Licence and/or Accreditation

- 1.1.1. To obtain an Officials licence and/or accreditation, the applicant must:
- Be at least 16 years of age to act in an operational official role and/or be granted a Level 1 Operational Official licence.
 - Be at least 18 years of age to act in an official role and/or be granted an Officials licence for any official role that requires specific accreditation.
 - Successfully complete the "online" MA accredited Level 1 Operational Officials training course
 - Successfully complete all required on-site training and/or RCB provided training courses relevant to the accreditation being requested.
 - Where relevant, obtain a Working With Children Check and/or Child Protection Declaration/Suitability Card to satisfy State/Territory legislation requirements.
 - Complete all required sections of the Officials Application Form and send application for Levels 1 to 3 accreditation to relevant State Controlling Body (SCB) or to Motorcycling Australia (MA) for Level 4 accreditation.

1.2. Upgrade an Officials Accreditation

- 1.2.1. To upgrade an Officials accreditation, the official must:
- Hold the level immediately below the relevant accreditation that is being considered for upgrade.
 - Show record of assisting as a "Trainee" or acting (as appropriate) in the specific official role.
 - Successfully pass a competency assessment while training or acting in the role (as appropriate) that is being considered for upgrade.
 - Be endorsed for the upgrade by the RCB.

2. OPERATIONAL OFFICIAL

2.1. Roles

- 2.1.1. For the purpose of accreditation, an Operational Official may be licensed in any discipline in the following roles; Marshals, Timekeepers, Measurers*, Scrutineers*, Eligibility Scrutineers*, Judges, Observers, Handicappers, Starters, Final Control Officials and Sound Control Officers*.
- 2.1.2. Although Scrutineers, Measurers and Sound Control Officers are operational officials, they have a separate and different accreditation pathway.

2.2. Level 1 Operational Official - All Disciplines

- 2.2.1. To become an accredited Level 1 Operational Official in all disciplines:
- Applicant must have successfully completed the "online" MA accredited Level 1 Operational Officials training course
 - All Level 1 applications are processed by the SCB administration.
- 2.2.2. Level 1 is only available for the Marshal role, all other operational roles (including Scrutineer) must progress to level 2 for specific role accreditation. Although "Scrutineer" by MoMS definition is an Operational Official, Officials requiring Scrutineer accreditation must follow the "Scrutineer" specific procedure in the next section.

2.3. Level 2 Operational Official - All Disciplines

- 2.3.1. Prior to applying for the upgrade, the applicant must:
- Have current Level 1 Operational Officials accreditation.
 - Show record of assisting as a "Trainee" in the specific official role at one meeting (minimum).
 - Successfully **pass a competency assessment** while acting in the Trainee role nominated for accreditation. The assessment will be conducted and documented by an accredited official conversant with the role.
- 2.3.2. All Level 2 upgrades are reviewed and processed by the SCB administration.

2.4. Level 3 Operational Official - All Disciplines

- 2.4.1. Prior to applying for the upgrade, the applicant must:
- Have current Level 2 Operational Officials accreditation in the discipline and role nominated for upgrade.
 - Show record of:
 - Acting in the specific Officials role at two meetings or
 - Assisting as "Trainee" in the specific Officials role at an open or National championship meeting.
 - Successfully **pass a competency assessment** while acting in the role nominated for accreditation. The assessment will be conducted and documented by an accredited official conversant with the role.

SECTION B: CRITERIA FOR RENEWING AN OFFICIALS LICENCE

8. OVERVIEW

8.1. Renew an Official Licence

8.1.1. To renew an Officials licence, the official must:

- a) Provide proof of being active as an Official:

Being active generally means signing on for an official role at least four times over the 4-years that an official's licence is current. The record of participation is reviewed for Levels 1-3 by the relevant SCB and by MA for Level 4.

- b) Keeping up to date.

To ensure that officials remain up to date with current best practice and changes within our sport, all officials will be required to attend a State or National based "Refresher" workshop where the class curriculum will be tailored to suit the skill levels, roles and disciplines of the participants. Officials should aim to attend a refresher course before applying for their renewal and preferably within the last year of their 4-year accreditation.

- c) Successfully completing a competency assessment.

All Officials are required to participate in a "Competency assessment" over the course of their 4-year accreditation. This is usually done while acting in their most senior* role. Officials should contact their SCB to arrange a Competency Assessment before applying for their renewal and should, wherever possible, have it completed within the last 2 years of their 4-year accreditation.

8.2. Accreditation Tier

8.2.1. For the purpose of recording events in a Participation Journal and verification for renewal, all accreditation is tiered by merit from; 1 = Highest through to 5 = Lowest, as follows:

1. STEWARD/REFEREE or CLERK OF COURSE	ALL LEVELS 2-4
2. RACE SECRETARY	ALL LEVELS 2-4
3. SCRUTINEER	ALL LEVELS 2-4
4. OPERATIONAL OFFICIAL	ALL LEVELS 1-4
5. OPERATIONAL OFFICIAL – MARSHAL	LEVEL 1 only

8.3. Officials with Multiple Accreditations

8.3.1. When renewing a licence with multiple accreditations, the "highest" active roles are acknowledged, thereby enabling all other "lower" roles to be automatically renewed at the same time.

For example; if an official had Clerk of Course, Scrutineer and Starter accreditation, and the official had been sufficiently active as a CofC in the previous four years, then, after submitting the CofC proof of participation with the renewal application, the official's Scrutineer and Starter accreditation would also be renewed at the same time.

On the other hand, if the same official had only been active as a Scrutineer, then the Scrutineer and Starter accreditation would be renewed, but the CofC accreditation would become inactive.*

8.3.2. Where an official is more active in some "lower" roles but still wishes to keep the "higher" accreditation, they must, as a minimum, assist in the "higher" role at least once in the four-year period.

For example; if the official has Steward, Clerk of Course, Race Secretary and Scrutineer accreditation and spends most of their time being a Race Secretary, then the Race Secretary can be renewed and the "higher" Race Secretary participation also covers off renewing the Scrutineer accreditation but the official would have to try and at least assist as Steward or CofC at one event to keep the Steward and CofC accreditation. If it has not been possible to assist as a CofC or Steward in the four-year period, then the CofC and Steward accreditation would become inactive.

8.3.3. To reinstate an accreditation made inactive, the official must submit proof of having acted as an assistant in the role and level sought to be reinstated and successfully completing a competency assessment for that role at the event.

In providing the record of participation (Participation Journal) to support a renewal application, the Official should show all officials activities and competency assessments undertaken in the previous four-year period of the licence.

To renew accreditation, the minimum and highest record of participation (as listed in all criteria) must be recorded and provided with the renewal application.

9. OPERATIONAL OFFICIAL

9.1. Level 1 Operational Official

9.1.1. Renewing the Level 1 Operational Official licence requires the holder to:

- a) Complete the online Ridernet based, "Level 1 Operational Official – all disciplines" training course, before the 4-year accreditation expires.
