Criteria:

- A performance assessment can be requested by any Key Official or Operational Official for the purpose of achieving an upgrade or for the renewal of their officials accreditation.
- This document should be completed by a Senior Official (usually the appointed Steward or in the case of an Operational Official, the CofC) at a permitted Competition event. The person responsible for completing the assessment (the Assessor) should advise the person being assessed (the participant) that they are performing an assessment at this meeting and should provide a copy of the assessment criteria to the participant before starting the assessment.
- The participant must be signed on and acting in the role that they are being assessed in. For the transition from level 1/Trainee to level 2 it is acceptable for the participant to be in an assisting role and should be assessed accordingly. For upgrade from levels 2 to 3 and 3 to 4 it is preferable (but not essential) that the participant is acting in the role and not acting as an Assistant or Deputy.
- If a Steward is to be assessed at a permitted event, the assessment may be conducted by the appointed Clerk of Course or by an independent assessor nominated by RCB.
- In all cases the purpose of the assessment is not to find and log fault with the participant but to create an environment of mentoring, education, best practice and encouragement to support and retain our volunteers.
