

INFORMATION BULLETIN

INFORMATION BULLETIN: #MWA01-2026

DATE: 4 February 2026

AFFECTED DISCIPLINE: Motocross and Enduro

INFORMATION PERTAINS TO: Body Armour for Senior Riders

REASONING:

Motorcycling Australia made the use of body armour mandatory for Senior competitors in Motocross and Enduro disciplines from 1 January 2026. There has been some conjecture over what is acceptable body armour.

GCR 17.1.5 stipulates Body armour must be type C – commercially manufactured upper body protection (front and back) must be worn.

ACCEPTABLE – Commercially manufactured offering front and rear protection

UNACCEPTABLE – Offers no rear (back) protection – roost guard only

Whilst not a complete listing, this should serve as a guide to what is acceptable for both riders and Technical Officers

EFFECTIVE FROM: IMMEDIATELY

Ride. Race. Enjoy.
